

Ms Anna, ECA

Preschool Classroom

Where did you go to school?

I am an ECA who graduated with honours at Sheridan College.

How many years have you been working with children?

After graduating from College I worked in a daycare for many years. Eventually having cared for my own 3 children for several years, I have now returned to my passion and returned to caring and working with children in a daycare setting.

What is your favourite activity in the classroom?

I love reading and singing to the children, talking, listening and encouraging them to express their creative side and thoughts through play and activities.

What is your vision for the centre/classroom?

My vision is to focus on the individual needs of each child while providing a positive and nurturing environment for each child to feel safe, happy and loved. I hope to inspire a lifelong love of learning.

What is your favourite past time/hobby?

My favourite is spending my time with my 3 children; we enjoy being outdoors and doing many adventures such as zip lining. I also love relaxing at the beach reading a book.

Favourite/inspiring quote:
