

Mr George

Kitchen Chef/Owner

Where did you go to school?

I completed a variety of courses throughout my life and have studied and worked in a wide array of industries such as culinary, hairdressing, and construction.

How many years have you been working with children?

I am a dad to 2 awesome boys for the last 7 years so that's got to count for something. 😊

What is your favourite activity in the classroom?

I am in the classroom when they need an extra pair of hands to help out so I would say my favourite activity is when I get to watch the children really enjoy the food I have created for them that day. My favourite part of my day is when they tell me how much they loved the food I made for them or when they request a specific meal that I had made in the past as they remembered it and really like it.

What is your vision for the centre/classroom?

My vision for the centre is to make sure that the children who attend are not only looked after in the best possible fashion but also that they have a great time at our centre. We built this place with a lot of hopes and dreams that it would be a centre filled with love and happiness and I really want the children who attend to feel that as well as learn at their own pace and achieve milestones while they're here.

What is your favourite past time/hobby?

I love spending time with family and friends. One of my passions is cooking and exploring new recipes and flavours. I also enjoy traveling and getting to see new places although I do enjoy spending time in our own area and traveling around Ontario.

Favourite/inspiring quote: "You have to accept whatever comes, and the only important thing is that you meet it with the best you have to give." – Eleanor Roosevelt
