

Ms Ailish, RECE Toddler Classroom

Where did you go to school?

I am a RECE who graduated from Georgian College.

How many years have you been working with children?

I have been working with children for 3 years.

What is your favourite activity in the classroom?

My favourite activities are creative art experiences. I love creating activities based on the children's interests along with creating seasonal art experiences. I like adding a sensory aspect to my art experiences by adding various and different materials that the children can choose to add to their work such as feathers, gems, shells, ribbon, lace, etc.

What is your vision for the centre/classroom?

My vision for the centre/classroom is for each child to feel safe and included. I wish to build a trusting relationship with both the children and the parents. I want parents to feel comfortable asking me any questions that they may have. I believe open communication is the key to fostering relationships.

What is your favourite past time/hobby?

My favourite past time is spending quality time with my family. I really enjoy spending time outdoors with my dogs, going on walks and exploring. I also like doing crafts and creating cute décor pieces for my home.

Favourite/inspiring quote:
