Supply Staff

Where did you go to school?

I am currently enrolled in a concurrent education study at Nipissing University. After completing this program, I will be qualified to teach elementary children.

How many years have you been working with children?

I have been working as a babysitter for the last couple of years and look forward to putting my love for children into a classroom setting.

What is your favourite activity in the classroom?

My favourite activity in the classroom would have to be art. I have always enjoyed creating art through drawing, colouring and other artistic materials. I believe it's a great way of expressing the thoughts and feelings of individuals.

What is your vision for the centre/classroom?

My vision revolves around inclusion and positivity. I believe that it is my responsibility to ensure every student feels included by their peers and valued by fellow educators and students in a safe and happy environment.

What is your favourite past time/hobby?

I enjoy spending my free time alongside family and friends as well as enjoying time up north cottaging.

Favourite/inspiring quote:

"You never fail until you stop trying." - Albert Einstien
