## Float Staff

### **Where did you go to school?**

I originally went to school for Child and Youth Care, at Algonquin College in Ottawa. I then began working in childcare and while doing so, completed the ECE program through St. Lawrence College in Brockville. I have also graduated from the Human Resources Management program, which I also completed at Algonquin College in Ottawa.

### **How many years have you been working with children?**

Excluding school placements, I have been working with children for 7 years. I have worked in multiple daycares and also provided respite care for a family with two children who had various behavioural needs.

### **What is your favourite activity in the classroom?**

My favourite activities in the classroom are singing songs with the children during circle time and outdoor play.

### **What is your vision for the centre/classroom?**

A safe and nurturing environment that fosters learning and fun!

### **What is your favourite past time/hobby?**

I love to spend time with friends and family, camping/going to the cottage, fishing and reading. 😊

### **Favourite/inspiring quote:**

"It's weird not to be weird." – John Lennon
